Dear Administrator or Representative:

Links to the **2017 Annual Report for Ambulatory Surgery Centers** (form ASC-1) for the 12-month period ending September 30, 2017, as well as needed instructions, are being provided in this e-mail. Pursuant to ALA. ADMIN. CODE r 410-1-3-.11, this report is deemed a "Mandatory Report", and is due on November 30, 2017. ALA. ADMIN. CODE r 410-1-3-.09 requires that this report be filed electronically to [data.submit@shpda.alabama.gov](mailto:data.submit@shpda.alabama.gov). Both of these rules may be accessed on the Agency's website at [www.shpda.alabama.gov](http://www.shpda.alabama.gov).

The interactive form should be saved to your computer prior to completing, and includes the ability to save while in the process of completion with Adobe Reader v. 6 or higher; a "Print" button on the form as a reminder to print a copy for your records and a "Submit Report" button on the form for direct transmittal with use of Outlook or other desktop e-mail applications. Should your e-mail provider be internet-based (Gmail, Yahoo, etc.) the report can be e-mailed as an attachment without the need for scanning. Electronic signatures are preferred. If the facility does not have the capability of electronic signatures, the report may be printed, manually signed, scanned, and filed as an e-mail attachment.

Should you have any issues accessing the information via the links, all information is located on our website, [www.shpda.alabama.gov](http://www.shpda.alabama.gov). From the navigation box on the left, choose *Health Care Data*, then *Report Forms*. Scroll down to Ambulatory Surgery Center (Form ASC-1) and choose 2017-I. It is requested that the interactive form be completed. This form performs automatic calculations which will reduce the number of errors experienced on reports not completed via the interactive version. Should you be unfamiliar with use of an interactive form, you may contact me for assistance as outlined below.

**Please read all instructions before completing the report.** Signatures are required from two separate individuals, the signature of the person preparing the report and a signature from another member of administration/corporate verifying the accuracy of the information provided in the report. ***This report will not be deemed substantially***
