|----|-----------------------------|-----------------|

This project has been put on the agenda for informational purposes only. No vote is required because “the recommended order of the Administrative Law Judge becomes the final order of the Agency when no exceptions have been filed.” No exceptions were filed. The ALJ approved this project with the following limiting language to be placed in the CON section entitled “Services to be Provided”:

“The 18 acute care psychiatric beds approved in the application shall be used to serve adults and geriatric patients only (i.e., patients who are age 19 and older), and not to serve adolescent psychiatric patients (i.e., patients who are younger than age 19).

Contested Case
